

LEARN SANSKRIT

All the teachers / parents /students are hereby that Sanskrit Promotion Foundation has developed free online tutorials for Sanskrit students (Class VI to XII)

The online tutorials are both teachers' resources for classroom teaching and students' resources for self-study.

The tutorials are very much effective as each lesson includes meaning of word, grammatical explanation, pictorial presentation, pronunciation, songs, games etc.

The tutorials are available in the following link

www.sanskrittutorial.in

Class wise mobile app is also available in Google play store.
